Case No. AP-2002-96

By application accepted for filing August 8, 2002, Adonai Ventures Inc., a Maryland corporation, seeks a certificate of authority for irregular route operations in vehicles with a seating capacity of less than 16 persons only, including the driver.

Applicant proposes commencing operations with one van. Applicant's proposed tariff contains per capita fares for transportation to and from Ronald Reagan Washington National and Washington-Dulles International Airports, plus rates for transportation under the DC Medicaid program.

Applicant's balance sheet, Exhibit A, misclassifies \$35,000 in machinery, furniture and equipment as a current asset. Applicant will be directed to file an amended balance sheet that shows applicant's \$35,000 in machinery, furniture and equipment on line 2-2 instead of line 1-5.

This proceeding is hereby initiated to determine whether applicant is fit and whether the proposed transportation is consistent with the public interest.
